AGENDA

BUSINESS

ANNUAL REPORT

To receive and consider the annual financial report of the Company for the financial year ended 30 June 2018, together with the declaration of the directors, the directors' report, the Remuneration Report and the auditors' report.

RESOLUTION 1 – Remuneration Report

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **non-binding resolution**:

"That, for the purpose of section 250R(2) of the Corporations Act and for all other purposes, approval is given for the adoption of the Remuneration Report as contained in the Company's annual financial report for the year ended 30 June 2018."

Note: the vote on this Resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement:

A vote on this Resolution must not be cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, a person (the voter) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- (a) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- (b) the voter is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on this Resolution; and
 - (ii) expressly authorises the Chair to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

RESOLUTION 2 – Re-Election of Mr Franciscus Sibbel as a Director

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

Voting Exclusion Statement:

The Company will disregard any votes cast in favour of this Resolution by or on behalf of:

- (a) any person who participated in the issue; or

However, the Company need not disregard a vote if:

- (d) it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

RESOLUTION 4: Issue of Options to Paul Poli

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

"That, for the purposes of Section 208 of the Corporations Act 2001, ASX Listing Rule 10.11 and for all other purposes, approval is given for the Company to issue and allot 2,500,000 Options to Paul Poli or his Related Party Nominee on the terms and conditions set out in the Explanatory Memorandum."

Voting Exclusion Statement:

In accordance with Listing Rule 14.11 the Company will disregard any votes cast in favour of this Resolution 4 by or on behalf of Mr Paul Poli (or his Related Party Nominee) or any of his Associates.

However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

In accordance with section 224 of the Corporations Act, a vote on Resolution 4 must not be cast by or on behalf of Mr Paul Poli (or his Related Party Nominee) or any of their Associates.

However, this does not prevent the casting of a vote on Resolution 4 if it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on the proposed resolution and it is not cast on behalf of Mr Poli (or his Related Party Nominee) or any of their Associates.

A person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution 4 if:

- (a) the proxy is either:
 - (i) a member of the Key Management Personnel; or
 - (ii) a Closely Related Party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on this Resolution 4.

However, the above prohibition does not apply if:

- (c) the proxy is the Chair; and
- (d) the appointment expressly authorises the Chair to exercise the proxy even though this Resolution 4 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

RESOLUTION 5: Issue of Options to Frank Sibbel

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That, for the purposes of Section 208 of the Corporations Act 2001, ASX Listing Rule 10.11 and for all other purposes, approval is given for the Company to issue and allot 1,250,000 Options to Frank Sibbel or his Related Party Nominee on the terms and conditions set out in the Explanatory Memorandum.”

Voting Exclusion Statement:

In accordance with Listing Rule 14.11 the Company will disregard any votes cast in favour of this Resolution 5 by or on behalf of Mr Frank Sibbel (or his Related Party Nominee) or any of his Associates. However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

In accordance with section 224 of the Corporations Act, a vote on Resolution 5 must not be cast by or on behalf of Mr Frank Sibbel (or his Related Party Nominee) or any of their Associates.

However, this does not prevent the casting of a vote on Resolution 5 if it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on the proposed resolution and it is not cast on behalf of Mr Sibbel (or his Related Party Nominee) or any of their Associates.

A person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution 5 if:

- (a) the proxy is either:

- (i) a member of the Key Management Personnel; or
 - (ii) a Closely Related Party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on this Resolution 5.

However, the above prohibition does not apply if:

- (c) the proxy is the Chair; and
- (d) the appointment expressly authorises the Chair to exercise the proxy even though this Resolution 5 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

RESOLUTION 6: Issue of Options to Andrew Chapman

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That, for the purposes of Section 208 of the Corporations Act 2001, ASX Listing Rule 10.11 and for all other purposes, approval is given for the Company to issue and allot 1,250,000 Options to Andrew Chapman or his Related Party Nominee on the terms and conditions set out in the Explanatory Memorandum”.

Voting Exclusion Statement:

In accordance with Listing Rule 14.11 the Company will disregard any votes cast in favour of this Resolution 6 by or on behalf of Mr Andrew Chapman (or his Related Party Nominee) or any of his Associates. However, the Company need not disregard a vote if it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

In accordance with section 224 of the Corporations Act, a vote on Resolution 6 must not be cast by or on behalf of Mr Andrew Chapman (or his Related Party Nominee) or any of their Associates.

However, this does not prevent the casting of a vote on Resolution 6 if it is cast by a person as a proxy appointed in writing that specifies how the proxy is to vote on the proposed resolution and it is not cast on behalf of Mr Chapman (or his Related Party Nominee) or any of their Associates. A person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution 6 if:

- (a) the person is either:
 - (i) a member of the Key Management Personnel; or
 - (ii) a Closely Related Party of such a member; and
- (b) the appointment does not specify the way the proxy is to vote on this Resolution 6.

However, the above prohibition does not apply if:

- (c) the proxy is the Chair; and
- (d) the appointment expressly authorises the Chair to exercise the proxy even though this Resolution 6 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

RESOLUTION 7 – Approval of 10% Placement Facility

To consider and, if thought fit, to pass, the following Resolution as a **special resolution**:

“That, pursuant to and in accordance with ASX Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of Equity Securities up to 10% of the issued capital of the Company (at the time of issue) calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 and on the terms and conditions in the Explanatory Memorandum.”

Voting Exclusion Statement

The Company will disregard any votes cast in favour of this Resolution by or on behalf of:

- (a) a person who is expected to participate in the 10% Placement Facility; or
- (b) a person who will obtain a material benefit as a result of the proposed issue, except a benefit solely in the capacity of a holder of Shares; or
- (c) any Associates of those persons.

However, the Company will not disregard a vote if

- (d) it is cast by the person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
- (e) it is cast by the person chairing the Annual General Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of Annual General Meeting ("**Notice of Meeting**") of Matsa Resources Limited ("**Company**").

The Directors recommend Shareholders read this Explanatory Memorandum (which forms part of the Notice of Meeting) in full before making any decision in relation to the Resolutions. If you have any questions regarding the matters set out in this Explanatory Memorandum or the Notice of Meeting, please contact your stockbroker or other professional adviser.

Terms used in this Notice of Meeting have defined meanings which are explained in the Glossary appearing at the end of this Explanatory Memorandum.

Financial Reports

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2018 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.matsa.com.au.

Shareholders will be given an opportunity to ask questions of the Directors and the Company's Auditors in relation to the accounts of the Company at the Annual General Meeting.

1. RESOLUTION 1 – Adoption of Remuneration Report

1.1 General

Section 250R(2) of the Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the directors or the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for the financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

1.2 Voting Consequences

Under Part 2G.2 Division 9 of the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company ("**Spill Resolution**") if, at two consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to a vote. If required, the Spill Resolution must be put to a vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting ("**Spill Meeting**") within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%.

Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

1.4 Proxy Restrictions

Shareholders appointing a proxy for this Resolution should note the following:

- ***If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy:***

You must direct the proxy how they are to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

- ***If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member):***

You ***do not*** need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, ***you are taken to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel. The Chair intends to exercise such proxies in favour of this Resolution.***

- ***If you appoint any other person as your proxy:***

You ***do not*** need to direct your proxy how to vote on this Resolution.

2. RESOLUTION 2 – Re-Election of Mr Frank Sibbel as a Director

Clause 11.3 of the Company's Constitution requires that at each annual general meeting, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, must retire from office, provided always that no Director (except the Managing Director) shall hold office for a period in excess of 3 years, or the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at any annual general meeting are those who have been in office longest since their last election, but, as between persons who became Directors on the same day, those to retire must (unless they otherwise agree among themselves) be determined by drawing lots.

A retiring director under clause 11.4 of the Company's Constitution is eligible for re-election.

The Company currently has three directors and accordingly one must retire.

Mr Sibbel, the Director longest in office since his last election, retires by rotation at this Meeting. Mr Sibbel, being eligible, offers himself for re-election.

Mr Sibbel is a Mining Engineer who has over 40 years of extensive operational and management experience in overseeing large and small scale mining projects from development through to successful production. He was formerly the Operations Director of Tanami Gold NL until June 2008, and has worked as the Principal in his own established mining consultancy firm where he has undertaken numerous projects for both large and small mining companies.

Mr Sibbel is also a director of Bulletin Resources Limited.

The Board unanimously supports the re-election of Mr Sibbel.

3. RESOLUTION 3 – Ratification of Prior Issue of Shares and Options

On 19 December 2017 the Company announced it was issuing 11,325,079 fully paid ordinary shares at an issue price of \$0.225 each with one free unlisted option for every three shares subscribed for with an exercise price of \$0.30 each and expiring 30 November 2019 via a placement to sophisticated investors for a total consideration of \$2.48 million before costs.

Resolution 3 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Shares and Options.

Listing Rule requirements

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period, without Shareholder approval.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that then previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1. By ratifying the issue, the subject of Resolution 3, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

Information required under Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) the maximum number of Shares issued is 11,325,079 and the maximum number of Options issued is 3,775,025;
- (b) the issue price was \$0.225 per Share;
- (c) the Shares and Options were issued to various sophisticated investors. None of the sophisticated investors are Related Parties of the Company;
- (d) the Consideration Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) The funds raised from the placement were used as follows:

- (i) Red Dog gold project – conduct mining studies and complete approvals for the potential mining scenario of the project;
 - (ii) Red October gold project – assessment of exploration opportunities both within the Red October mine and exploration ground as well as assess the opportunity to potentially recommence mining at Red October; and
 - (iii) General working capital – the funds will also be used as general working capital to advance the overall exploration and development of the Lake Carey project, company administration and corporate requirements.
- (f) a voting exclusion statement is included in the Notice;
 - (g) the terms and conditions of the Options are set out in Annexure D.

4. RESOLUTIONS 4 TO 6: APPROVAL FOR THE ISSUE OF OPTIONS

4.1. General

The Company has agreed, subject to obtaining Shareholder approval, to allot and issue 5,000,000 Options in aggregate (**Director Options**) to Mr Paul Poli, Mr Frank Sibbel and Mr Andrew Chapman who are Directors of the Company (or their respective Related Party Nominee/s) on the terms and conditions set out below.

4.2. Related Party Transaction

For a public company, or an entity that the public company controls, to give a financial benefit to a Related Party of the public company, the public company or entity must:

- (i) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (ii) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Director Options constitutes giving a financial benefit. Mr Paul Poli, Mr Frank Sibbel and Mr Andrew Chapman are Related Parties of the Company by virtue of being Directors. Related Party Nominees of each Director are also Related Parties of the Company by virtue of their relationship with the respective Director (see definition of Related Party Nominee in the Glossary).

In addition, Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a Related Party, or a person whose relationship with the entity or a Related Party is, in ASX's opinion, such that approval should be obtained unless an exception in Listing Rule 10.12 applies.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of Director Options.

4.3. Shareholder Approval (Chapter 2E of the Corporations Act and Listing Rule 10.11)

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and Listing Rule 10.13, the following information is provided in relation to the proposed grant of the Director Options:

- (a) Mr Paul Poli, Mr Frank Sibbel and Mr Andrew Chapman are Related Parties of the Company by virtue of being Directors. Related Party Nominees of each Director are

also Related Parties of the Company by virtue of their relationship with the respective director (see definition of Related Party Nominee in the Glossary);

- (b) the number of Director Options (being the nature of the financial benefit being provided) to be granted to the Related Parties is:
 - (i) 2,500,000 Options to Mr Paul Poli (or his Related Party Nominee/s);
 - (ii) 1,250,000 Options to Mr Frank Sibbel (or his Related Party Nominee/s); and
 - (iii) 1,250,000 Options to Mr Andrew Chapman (or his Related Party Nominee/s);
- (c) the Director Options will be granted no later than 1 month after the date of the Annual General Meeting and it is anticipated the Director Options will be issued on one date as soon as practicable after the Annual General Meeting;
- (d) the Director Options will be granted for nil cash consideration, accordingly no funds will be raised;
- (e) the terms and conditions of the Director Options are set out in Annexure B;
- (f) the value of the Director Options and the pricing methodology is set out in Annexure C. The Company considers that together with the other directors' fees proposed to be paid to Directors this financial year (see below), the value of the Director Options represents appropriate remuneration to retain the Directors which is comparable to director remuneration at similar ASX listed companies;
- (g) the relevant interests of the Directors in the securities of the Company are set out below:

Related Party	Shares	Options¹
Mr Paul Poli	11,855,000	2,750,000
Mr Frank Sibbel	294,852	1,500,000
Mr Andrew Chapman	69,000	1,500,000

¹ The options have an exercise price of \$0.25 each expiring 30 November 2019.

- (h) the remuneration and emoluments (excluding share based payments) from the Company to the Directors for the previous financial year and the proposed remuneration and emoluments for the current financial year are set out below:

Related Party	Current Financial Year	Previous Financial Year
Mr Paul Poli	\$360,000	\$362,409
Mr Frank Sibbel	\$70,000	\$71,642
Mr Andrew Chapman	\$220,000	\$241,091

- (i) if the Director Options granted are exercised, a total of 5,000,000 Shares would be allotted and issued. This will increase the number of Shares on issue from 176,917,368 to 181,917,368 (assuming that no other Options are granted or exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 2.83%, or 2.62% on a fully diluted basis.
- (j) The market price for Shares during the term of the Director Options would normally determine whether or not the Director Options are exercised. If, at any time any of the Director Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price of the Director Options, there may be a perceived cost to the Company;

- (k) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below:

	Price	Date
Highest	29 cents	21 November 2017
Lowest	13 cents	6 September 2018
Last	13 cents	4 October 2018

- (l) the Board believes the grant of Director Options to each of the Directors is in accordance with the guidelines for non-executive director remuneration set out in Recommendation 8.2 of The Corporate Governance Principles and Recommendations (3rd Edition) as published by The ASX Corporate Governance Council as they do not have performance hurdles attached to them. The Board considers the grant of Options to Mr Paul Poli, Mr Frank Sibbel and Mr Andrew Chapman reasonable in the circumstances for the reasons set out below:
- (i) the grant of Director Options to the Directors will align the interests of the Directors with those of Shareholders;
 - (ii) the grant of the Director Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Directors; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Options upon the terms proposed;
- (m) the primary purpose of the grant of the Director Options to the Directors is to provide an overall Company performance linked incentive component in the remuneration package for the Directors to motivate and reward the performance of the Directors;
- (n) each of the Directors declines to make a recommendation to Shareholders in relation to Resolutions 4, 5 and 6 due to either their material personal interest in the outcome of the Resolution (to the extent they or their Related Party Nominee(s) are to be granted Options in the Company) or the potential for a conflict of interest in making a recommendation about the remuneration of other Directors; and
- (o) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 4 to 6.

Approval pursuant to Listing Rule 7.1 is not required in order to issue the Director Options as approval is being obtained under Listing Rule 10.11. Accordingly, the issue of the Director Options will not be included in the 15% calculation of the Company's annual placement capacity pursuant to Listing Rule 7.1.

Voting exclusion statements in relation to Resolution 4, 5 and 6 are included in the Notice of Annual General Meeting.

The Chairman intends to exercise all undirected proxies in favour of Resolution 4, 5 and 6. If the Chairman of the Annual General Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolutions 4, 5 and 6, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

5. RESOLUTION 7 – Approval of 10% Placement Facility

5.1 General

Listing Rule 7.1A enables eligible entities to seek Shareholder approval to issue Equity Securities up to 10% of their issued capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity with a market capitalisation of \$24.77M as at 2 October 2018.

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The maximum number of Equity Securities that may be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 5.2(c) below).

The Company intends to use any funds raised under the 10% Placement Facility towards further exploration on the Lake Carey project exploration and evaluating the likelihood of resuming small scale mining of the recently acquired Red October gold project, and/or for general working capital. In addition, the Company may, in future, choose to evaluate new investments and may use the funds raised for acquisitions (including expenses associated with such acquisitions).

The Directors recommend that the Shareholders vote in favour of this Resolution.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

5.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Security

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this Notice of Annual General Meeting, the Company has on issue:

- (i) 176,917,368 Shares; and
- (ii) 13,700,025 unquoted options.

The Company has only one class of quoted Equity Security, being Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement:

- (a) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2;
- (b) plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- (c) plus the number of fully paid ordinary securities issued in the 12 months with approval of shareholders under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval;
- (d) less the number of fully paid ordinary securities cancelled in the 12 months.

Note that "A" has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 5.2(c) above).

(e) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking). The approval will cease to be valid in the event that holders of the eligible entity's ordinary securities approve a transaction under rule 11.1.2 or rule 11.2,

or such longer period if allowed by ASX ("**10% Placement Period**").

5.3 Listing Rule 7.1A

The effect of Resolution 7 will be to allow the Company to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

5.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP of the Company's Equity Securities in the same class calculated over the 15 Trading Days on which trades were recorded in that class immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 7 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, there is a risk that the economic value and voting power of each Share in the Company may be diluted, including a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of approval of this Resolution at the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or as part of consideration for the acquisition of a new asset.

The below table shows the possible dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice (with numbers rounded to the nearest whole number). This assumes the Company has its full capacity available under Listing Rule 7.1A and Resolution 7 is passed at the Annual General Meeting. The formula in Listing Rule 7.1A.2 is outlined in Section 5.2(c) above.

The table also shows:

- (a) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (b) two examples of where the issue price of Equity Securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A2		Dilution		
		\$0.07 50% decrease in Issue Price	\$0.14 Issue Price	\$0.21 50% increase in Issue Price
Current Variable A 176,917,368 Shares	10% Voting Dilution	17,691,737 Shares	17,691,737 Shares	17,691,737 Shares
	Funds Raised	\$1,238,421	\$2,476,843	\$3,715,265
50% increase in current Variable A 265,376,052 Shares	10% Voting Dilution	26,537,605 Shares	26,537,605 Shares	26,537,605 Shares
	Funds Raised	\$1,857,632	\$3,715,265	\$5,572,897
100% increase in current Variable A 353,834,736 Shares	10% Voting Dilution	35,383,473 Shares	35,383,473 Shares	35,383,473 Shares
	Funds Raised	\$2,476,843	\$4,953,686	\$7,430,529

Note: The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 2. No Options are exercised into Shares before the date of the issue of Equity Securities.
 3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
 4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 5. The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 6. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 7. The issue price is \$0.14, being the closing price of the Shares on the ASX on 2 October 2018.
- (c) The Company will only issue the Equity Securities during the 10% Placement Period.
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) Non-cash consideration for the acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
 - (ii) Cash consideration towards further exploration on the Lake Carey project, exploration and evaluating the likelihood of resuming small scale mining of the recently acquired Red October gold project, and/or for general working capital. In addition, the Company may, in future, choose to evaluate new investments and may use the funds raised for acquisitions (including expenses associated with such acquisitions).

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

- (e) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the subscribers of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisors (if applicable).

The subscribers under the 10% Placement Facility have not been determined as at the date of this Notice of Annual General Meeting but may include existing Shareholders and/or new Shareholders who are not Related Parties or Associates of a Related Party of the Company.

- (f) The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2017 annual general meeting held on 24 November 2017.

The total number of Equity Securities issued by the Company in the 12 months preceding the date of the Annual General Meeting is 35,985,614. The percentage those Equity Securities represent of the total number of Equity Securities on issue at the

commencement of that 12 month period is 22.11%. The table at Annexure A details all issues of Equity Securities by the Company during the 12 months preceding the date of the Annual General Meeting as required by Listing Rule 7.3A.

- (g) A voting exclusion statement in relation to this Resolution 7 is included in the Notice of Annual General Meeting. At the date of the Notice of Annual General Meeting, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in an issue of Equity Securities pursuant to this Resolution 7. No existing Shareholder's votes will therefore be excluded under the voting exclusion in this Notice.

Where more than one proxy is to be appointed or where voting intentions cannot be adequately expressed using this form an additional form of proxy is available from the Company, or alternatively you may copy this form.
- (c) The proxy form must be signed personally by the Shareholder or his attorney, duly authorised in writing. If a proxy is given by a corporation, the proxy must be executed in accordance with its constitution or its duly authorised attorney. In the case of joint Shareholders, this proxy must be signed by each of the joint Shareholders, personally or by a duly authorised attorney.
